

# YUVAL SHREM

screenwriter / director / music composer / inventor

AEC # 285 46 14 45  
[yuval@yuvalshrem.com](mailto:yuval@yuvalshrem.com)

A member of the Israeli Academy of Motion Pictures & Television

A member of IUPA (the Israeli Union of Performing Artists)

A member of ACUM (the Israeli royalties company for authors, composers, lyricists, poets, arrangers and music publishers)

A Professional member of The Recording Academy (Grammys)

Award winning director, Screenwriter and music composer, Yuval Shrem began his career in Israel 1995. Since then, Yuval has been creatively involved in hundreds of television programs (ranging from drama series, talk-shows, and children shows, to drama mini-series), as well as award-winning film projects.

Since moving to Los Angeles in 2002, Yuval has been, producing, directing and developing several film projects of various scopes, directing theater plays, and composing musical theatre shows. As an inventor, Yuval has co-founded FABLE SOUNDS - a music software company, where he led the development of its patented technology, as well as the development of critically acclaimed virtual instruments "Broadway Big Band", "Broadway Lites", and "Broadway Gig" used and embraced by musicians at the top of the music industry, and he is currently in the process of patenting new technology and founding a new software company to serve the entertainment industry. Additionally, in 2008, Yuval co-founded FABLE ENTERTAINMENT, a Hollywood based production and content company.

In 2009 Yuval was a member of The Actor's Studio West as a director in the Playwright/Director's Unit. Following the success of his short film THE BABIES on the film festival circuit, with 42 awards and 7 nominations, Yuval's award-winning film project - INVISIBLE LINES - was in the running for the 2023 Oscars in the Narrative live-action Short category. In addition to his first feature film A PLEA FOR TENDERNESS, which is currently in post production, Yuval has a slew of feature film, music albums and musical theater projects on the horizon.

## Musical Theater

### Queen Esther

Composer, lyricist, and book writer of the original musical play **"Queen Esther"** based on the biblical Book of Esther. The project is in development and is intended to be produced both on stage and as a major feature film.

### Young Forever

Composer of **"Young Forever"** - a stage musical (book and lyrics by Stephen Fife); It was initially opened its first West-Coast workshop production in June 2010 as "The Island of Neverland", and had its second workshop production in Tokyo, Japan in December 2011, followed by a staged reading of a newer revision of the show in November 2015 in California. There are now talks about a possible full scale production in Brazil next year.

### Izabella In Oz

Composer of **"Izabella In Oz"** - a stage musical (Book and lyrics by Stephen Fife).

An initial workshop run was produced at The New Ark Theatre in North Hollywood, in December 2019. In that workshop, a handful of additional songs composed by Carlos Cuba were used but will be cut from future productions. The musical is undergoing further development, to prepare it to a proper commercial run.

### Virtual Instruments development

Co-founded "**Fable Sounds LLC**" ([www.fablesounds.com](http://www.fablesounds.com)), musically directed the creation of the "**Broadway Big Band**", "**Broadway Lites**", and "**Broadway Gig**" virtual instruments, and co-invented the patented technology related to these instruments (2 *US patents*). Broadway Big Band, Broadway Lites, and Broadway Gig have been enjoying national and international acclaim, and have been used by major Grammy winning artists and bands for their live shows and album recordings, leading film, commercial and television composers for their many high-profile film and television projects, as well as major musical theater, major television shows, and other major live theater productions. Broadway Big Band is also used by music educators and colleges, as an integral tool for teaching music-production and contemporary orchestration.

### Sound designer / Music supervisor / Music editing

- Music Supervisor of "**Gafni's Spot**" - Television series (20 X 5min) - United Studios of Israel
